Help Us Welcome Bay Haven's Newest PSW

Heather Kennedy

Bay Haven is happy to welcome our newest team member Heather to our healthcare team, she will be working in the Nursing home. She recently moved from Mississauga to Wasaga Beach, and brings with her 45 years' experience as a PSW, working in both healthcare settings and within older adult's houses. Heather enjoys this type of work, as she loves to make people smile and feel happy. She is impressed by the longevity of the residents within Bay Haven, and hopes to find out what everyone's secret is while working here. In Heather's spare time she likes to play darts. Please make Heather feel at home in new work place. *April Lawson*
