

April 2018 newsletter

### Spring Cleaning!

Spring has sprung and with it comes warmer weather!

Please help your loved one clean out their clothes closet. It will also be time to bring in spring/summer attire including a light jacket, hats and sunglasses. Please ensure all items are given to clinical nurse first, so they can be labelled with their name before putting them away. Thank you.

### Spring Walks

With Warmer weather just around the corner, a lot of residents will be anxious to get outside for walks. Please sign out residents before leaving the building.

### Theme Day: June 12th

### Medieval

Our Theme Day this year will be the Medieval era. On June 12th Bay Haven will be back in Medieval Times. Be sure to come dressed in your favorite costume! Kings, Queens, jesters, peasants, servants and knights in shining armour are all Welcome!

### Resident Satisfaction Survey

Its that time of year again, where we collect residents' input on all areas of the home and find out how we can make your home an even better place to live!

We are seeking volunteers to assist in completing the satisfaction surveys with Nursing Home residents. If you would like to help the residents complete their surveys, please contact April Lawson Recreation Manager for more information.

### Nursing Home Guests, Friendly Reminders:

- Management would like to kindly remind all guests visiting their loved ones to sign in and out using the binder located at the front entrance. This is for Fire Safety reasons, to simply know who is in the building.
- Lets all work together and make our home a healthy home. During an outbreak, we would like to remind all guests to visit in resident's rooms and not in common areas. This helps to isolate germs during an outbreak.

### April 15-21st is Volunteer Appreciation Week

Be sure to thank our wonderful volunteers for all that they do!
