FAMILY COUNCIL NEWS

During our Christmas Market on November 29th, Residents Council set up information at the white Elephant table highlighting a wonderful opportunity for families. Families are encouraged to be a part of a new Family Council team. We currently have one family member interested, but we need at least one more to create a Family Council. Please contact April Lawson, Recreation Manager, if you would like more information.

Warm welcome to our new volunteers! **Julie** is coming along with her son and daughter, **Aspen** and **Sebastian**, on Mondays to visit residents. **Alex** will be joining in with her furry friend to visit residents on Thursday mornings beginning in December. Be sure to give them a warm welcome!

Bay Haven has once again partnered with **IDA Stuart Ellis Pharmacy** in Collingwood for "Santa for a Senior". Above is their Christmas Tree located in their store. Customers are encouraged to grab a Christmas Label off the Christmas Tree and purchase a small gift for Seniors at Bay Haven. Thank you, customers and staff of IDA Stuart Ellis, for making Christmas possible for our residents.

Bay Haven is launching a unique program on our website to improve the lives of our residents by asking you to consider donating to our residents' council. All the money received from your donation will be used to purchase supplies and services not funded by the Ministry of Health and Long-Term Care. With the help of your donation, Bay Haven residents can go on more outings, purchase exercise and therapeutic equipment and conduct more social and educational events. Thank you for considering our request to donate funds for the sake of improving residents' lives. Together, we can make a difference by making their lives more comfortable and fulfilling. If you have any questions or suggestions about how you can help, please feel free to reach out to the Management Team.

Your Donation will help to:

- Fund the Resident and Family Council Committee
- Develop more resident focused programs and events
- Provide exercise and therapeutic equipment, massage chairs, and other equipment not funded by the Ministry of Health
