Family Party Wrap Up

family

Family Council held our second Family Council Meeting on July 22nd. Please be sure to check out the minutes on the Family Council Board located in the Recreation Room. If you would like to learn more about becoming a Family Council Member, please contact April Lawson at recreation@bayhaven.com

A big thank you to everyone who took part in the Nursing Home Kick Off to Summer Family Party on July 6th! We had several Nursing Home residents and families in attendance. Resident's Council raised \$91.00 from the cookie and raffle ticket sales! Thank you again to all residents, families and staff for taking part. See you next year!

July was National Ice Cream Month

Bay Haven celebrated National Ice Cream month with our Ice Cream Trolley delivering the cold tasty desert to all! We also were lucky enough to have our local Ice Cream Truck visit us!

Elvis was in the building...

Each Year Conner and Gordon volunteer their time to provide their very best Elvis impersonations. This will be their 8th year here at Bay Haven, as they said we are their best fans! They always know how to get us all movin and groovin! What a blast!

Oh, Me Oh My, Fresh

Strawberry Pie!

Residents from the Retirement Home decided they wanted to make fresh strawberry pie. Recreation department picked up freshly picked strawberries and used Retirement Home Manager, Roseanne Beurpe's recipe to make them! They were served at our Cheers program, and not one piece was left! YUM!

Cultural Experience Day: Greece

On Monday August 19th Bay Haven will celebrate Greece. Programs, music and food will reflect a Greek theme. Residents will have their own mini Olympics. We are looking for volunteers to assist Bay Haven's first ever Olympic Games! Staff, residents and guests are all encouraged to dress in theme, such as Togas or your favorite Greek costumes. Let's have fun, OPA!

Resident Safety

The nice summer weather brings in many visitors. Bay Haven Management Team would, like to please remind you to watch behind you as you're leaving the Nursing Home. Ensure residents aren't coming out behind you. If you are unsure about a resident going outside alone, please ask the Charge Nurse on duty.
