Celebrating Luena's 106th Birthday!

It's not everyday we get to celebrate someone's 106th Birthday! Luena, a resident at Bay Haven turned 106 this year. For the past 7 years, Luena has shared her beautiful music on the piano by volunteering to play to her fellow residents. Her family and friends celebrated with her over two days. This special birthday was also documented on CTV News Barrie! To see the video, check out the Bay Haven Facebook page.

Happy Birthday Luena!

LOOKING FOR VOLUNTEERS TO ASSIST WITH RESIDENT SATISFACTION SURVEY

It's coming to that time of the year again, where all residents are invited to partake in a Resident Satisfaction Survey. In order to make sure that all residents are able to participate, we need your help completing the survey. If all residents can give us their input, we can strive towards better meeting their needs. Please see April Lawson, Recreation Manager if you would like to help a resident.

Recreation Assistant, Amanda Windatt, has accepted a Management position in a Retirement Home located in Midland. Amanda is a hardworking, resident focused employee who really put her heart into her job. Amanda was always the staff member to see the positive in everything, and was liked by all residents, staff and family members and will be missed dearly.
