

Book your Indoor or Outdoor Visits Online

After four long months, families are now able to visit their loved ones at Bay Haven Care Community. Seeing the reactions of families coming together for the first time since the beginning of the COVID-19 pandemic is absolutely beautiful. We have been receiving an overwhelming amount of phone calls from families to book appointments on the Retirement Home and Nursing Home side. To make booking appointments easier, we would like to introduce an online server called Appointlet. Appointlet is a simple online tool that allows you to select a date and time that works best for you to visit your loved one. This new server allows us to properly manage our time and schedules so that everyone can have their own time for a visit. Appointlet is an easy-to-use server that only takes about one minute to fill out. To get to our Appointlet server, please go to the Bay Haven Care Community website or Facebook page and read the instructions if you need assistance.

FUN FACT

Originally, August was the 6th month in the early Roman calendar, named after Augustus. This is the origin of the August name.

1950's Week In August

The Recreation Team will be hosting a 1950's themed week from Sunday, August 16th to Saturday, August 22nd on both the Retirement Home and Nursing Home side. During this week, residents will be involved in programs that are related to the 1950's. They will be listening to music from the 1950's, learning about 1950's trivia, having milkshakes, and so much more. Residents and staff will also be dressing up in their best 1950's attire for one day! Photos will be posted on our Facebook page, so stay tuned!

Outdoor Church Service With Catherine Brown Begins

Since the COVID-19 pandemic struck our entire country, Bay Haven Care Community had to immediately go into isolation and eliminate all indoor entertainment and church services to prevent the spread of COVID-19 to our residents. During this time period, residents have been able to enjoy church service and live entertainment virtually online through our projector. We are happy to

announce that Catherine Brown from the First Presbyterian Church in Collingwood will be hosting outdoor church service for our residents starting on Monday, August 10th, 2020. This will be a great way to have our residents continue practicing their spiritual life.

Thank You Georgian PSW Students

We would like to send out a huge thank you to all the Georgian College PSW students that helped us during the COVID-19 pandemic. These five students were able to take their education and use it for experience as schools began to close down for the last 4 months. It was so hard to say goodbye to them, but we know that they will all be amazing PSW's and have successful careers in nursing homes or hospitals. We are so proud of them!
