PURPOSE

To provide an accessibility plan which sets out steps that Bay Haven has taken to comply with Ontario’s accessibility laws.

PROCEDURE

Bay Haven is committed to preventing, identifying and removing barriers that impede the ability of persons with disabilities to access our care and services.

Bay Haven Nursing Home is a barrier free facility. Senior management regularly assesses new programs and changes to the facility to maintain accessibility for all persons.

Our Accessibility Plan is available on Bay Haven’s website and can be requested in an accessible format upon request.
