PURPOSE

The purpose of this section is to provide information and resources for Bay Haven staff that will assist in the prevention and management of outbreaks associated with reportable diseases.

POLICY

Timely reporting of Diseases of Public Health Significance is mandated and essential for their control. If you suspect, or have confirmation of the following specified diseases, or their etiologic agents, (as per Ontario Regulation 135/18 and amendments under the Health Protection and Promotion Act, R.S.O. c.H.7) please report them to the local Medical Officer of Health.
