Bay Haven
goes to

Pick local. Live green.

Last month, the residents of Bay Haven embarked on a charming trip to Barrie Hills Farm, where they enjoyed a day of strawberry picking under the bright October sun. The fields were filled with laughter and joy as residents and staff bonded over the delicious task of selecting the ripest, juiciest strawberries. With the sun beaming down, everyone reveled in the pleasant weather, making the experience even more memorable.

The trip not only allowed our community members to indulge in the simple pleasures of picking fresh strawberries but also provided a perfect opportunity to strengthen the bonds within our community. As we relished the sweet fruits of our labour, conversations flowed, friendships deepened, and smiles were shared all around.

We're immensely grateful for such beautiful moments that bring us together and create lasting memories. Stay tuned for more exciting events in the coming months.
