Happy EASTER

This year Easter has us hopping like a bunny into April!

The Easter Bunny is a folkloric figure and a symbol of Easter, depicted as a rabbit who brings coloured eggs and candies. The Easter Bunny originated among German Lutherans, playing the role of a judge, evaluating whether children were good or disobedient in behaviour at the start of the season of Eastertide.

Earth Day

Earth Day is an annual event on April 22nd that demonstrates support for environmental protection. The first Earth Day took place in 1970. Currently 193 countries celebrate Earth Day!

Here are some ways you can celebrate Earth Day:

-  - Do a community clean up and pick up any litter you come across!
-  - Plant a tree or some wildflowers that are native to the local area!
-  - Reduce the amount of garbage you produce by composting and recycling when possible!
-  - If you are doing laundry on a nice day, hang it up to dry instead of using the dryer!
-  - Turn off lights and appliances when they aren't needed!

Try and treat everyday like Earth Day and help protect our planet!

Animal Friends

This month we are going to have some animal friends come to visit us! We are looking forward to having Zoo to You come on the 16th as well as some miniature horses on the 23rd! Whether you like the fluffy ones, the scaly ones, the little ones, or the big ones, there will be an animal for you to come and hang out with!

April is Humour Month!

-  **Why should you avoid the stairs on April Fools' Day?**
Because they are always up to something!
-  **How does the Easter Bunny keep his fur looking so good?**
He uses hare spray!
-  **Why did the farmer bury all his money?**
To make the soil rich!
-  **How does the sun listen to its favourite music?**
On the ray-dio!
-  **What do you call a well-dressed lion?**
A dandy-lion!
-  **What happens when you tell an egg a joke?**
It cracks up!

April is Poetry Month!

The wind told the grass
And the grass told the trees,
The trees told the bushes
And the bushes told the bees,
The bees told the robin
And the robin sang out clear,
Wake Up!
Wake Up!
Spring is here!

Easter eggs,
Yellow and blue.
Easter eggs,
For me and you.
Easter eggs,
Candy sweet.
Easter eggs
Are good to eat.
Easter eggs,
Pretty and funny.
But... where or where
Is the Easter Bunny?
