“Sweet April Showers do
Bring May Flowers”

Celebrations!

**Some photos of last
month's St. Patrick's
celebrations!**

Fun Facts

April 22nd is Earth Day -
celebrated in 190 countries.

No one knows the origins of April
fool's day, only that its been
around for centuries.

April is one of the best months
for birdwatching as migratory
birds make their way back north.

Common April showers often
create more rainbows than any
other month.
